

MISSION STATEMENT

At Moon School we take responsibility to inspire our students to be Respectful, Excellent, Dependable, and Safe. **We** are committed to a partnership with **Students, Parents, and Community**.
We believe in greatness!

VISION STATEMENT

We will become a high performing school where all students are engaged in a challenging learning environment. In a combined effort all educators, students, families and communities will take ownership in every student's academic success.

Educators will work together in a professional learning community to form an engaging learning environment where student differences are embraced and held to high academic success.

All **Students** will take ownership of their learning to achieve high academic success. All **Students** will be Respectful, Excellent, Dependable, and Safe members of society.

Families and Community Members will be invited and encouraged to contribute to our school.

We believe in greatness!

BELIEF STATEMENT

(A belief statement reflects the prerequisite conditions of a vision statement.)

- We believe all students learn when they are actively engaged through a variety of best practices.
- We believe all students can learn given appropriate time, instruction, and access to resources.
- We believe all students take ownership and experience success in their learning, when goals and targets are clearly set.
- We believe all students need positive behavior support.
- We believe it is important for parents and community members to be invested in our school and share their time and expertise.
- We believe attendance is crucial for academic success.
