

## **Scheduling Information for 2020-2021**

Counselors will meet with students in small groups in their English classrooms. Students will be given a copy of their transcript to review and then will be instructed to select their classes for the next school year. Parents can assist their sons and daughters in this process by reviewing their choices, signing the course selection sheet, reminding them to return the materials to school on time and finally scheduling with them online at home. Current 8th grade students will enter their course selections at school by Friday, February 28, 2020.

Counselors and students will meet individually during this time to review the course selections for accuracy and planning. But, all students should have scheduled their courses online. Student will have the opportunity to update his/her Educational Development Plan prior to scheduling to help guide them in scheduling classes in their area of interest.
